Cookies

Cookie	Name	Purpose
Google Analytics	_utma _utmb _utmc _utmz	These cookies are used to collect information about how visitors use our site. We use the information to compile reports and to help us improve the site. The cookies collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the site from the pages they visited. Overview of privacy at Google
Javascript Cookie	has_js	This cookie is placed by the website content management system and indicates that your browser supports Javascript. Used for improving your user experience of the website. This cookie will expire automatically at the end of your browsing session.
Responsive Images	respimg respimg_ratio	This concerns some of the images you see on this website. The website is designed to work seamlessly on a range of devices with varying screen sizes. These cookies store information about the size of your browser window so that we can send you suitable image resolutions for your device.
